

Municode Mobile Online Codes

From a Smart Phone, or Tablet with full internet access start at our main page by navigating to www.municode.com and then select the Code Library tab at the top. There is nothing for you to download, or sign up for.

The screenshot shows the Municode website interface. At the top left is the Municode logo with the tagline "The nation's leading legal publisher." To the right are links for "Store", "Support", "Contact Us", and "SIGN IN". Below this is a navigation menu with "CODE LIBRARY" circled in red and highlighted by a red arrow pointing to a "Select Code Library" button. Other menu items include "ONLINE SERVICES", "CODIFICATION", "PLANNING", and "ABOUT US". Below the navigation is a banner with the text "All your city's codes, right at your fingertips." and "At Municode, our goal is to provide you with the easy access and an intuitive interface to over 2,700 online codes spread throughout all 50 states. While browsing our Code Library, you'll find that these codes are available on any platform - desktop, tablet, and mobile." A red button labeled "BROWSE THE LIBRARY" is positioned below the text. The background features images of a laptop, tablet, and smartphone displaying the website, and a city skyline.

At the next screen you will need to choose the State from the drop down menu or by clicking on your state.
